

# Microchasmic Triplet

(Contra)

This triplet was written by dance caller Ann Fallon, of Annapolis, Maryland.

Formation: Proper triplet, three-couple longways sets

[Video](#)

Steps & Styling: Peel the Banana: All face the top of their set of three cpls. The top two dancers separate and walk down the outside of their own line with everyone behind them following the leader. The top cpl meets at the bottom and a makes a two-hand arch. All meet ptr beyond the bridge, tunnel through, and come up to the top of the set with the original top cpl staying at the bottom.

Contra Corners: Ptr allemande R  $\frac{1}{2}+$ , first corner allemande L, ptr allemande R  $\frac{1}{2}+$ , second corner allemande L.

Meas    4/4 meter    Pattern

1-2                    Long lines fwd and back.

3-4                    Everyone do-si-do ptr.

5-8                    Cpl #2 (“middle/active cpl”) turn Contra Corners.

9-12                   Everyone balance and swing ptr.

13-16                   Peel the banana!
