

## LISTING BY COUNTRY

“Dances Listed by Country” notes: Dances from two countries, as noted by an oblique (e.g., Germany/Austria), are listed twice in this document: once under each country. Parentheses are used for additional information beside the country name. For Polynesian dances, see France (Tahiti), New Zealand (Maori), Samoa, and U.S.A. (Hawaii). Limited notations have been added to some countries, such as (Transylvania) to Hungary and Romania, (Sardinia) to Italy and (Basque) to Spain and France, but not comprehensively. Some regional or continental dances, such as those noted as "Africa" or "Balkan" or "Scandinavia," couldn't be broken into countries. Dances originally designated "Czechoslovakia" have been broken into their post-1993 countries: the Czech Republic and Slovakia. Dances from Belgium and Canada have been broken into ethnicities: Belgium into (Flanders [where the majority are Flemish-speaking]) or (Wallonia [where the majority are French-speaking]), and Canada into (French Canada) or no added notation.
